

Fee Policy

Last Updated: September 2018

To Be Reviewed: September 2019

The School Fee Policy

The School is committed to working in partnership with the parent community. This policy ensures that guidelines and procedures are clear, and aims to provide clarification on all fee related queries.

It is imperative that fees are paid on time to ensure the smooth running of the school. The school is not responsible for sending out fee reminders.

However, fee reminder letters are issued and sent out to parents each term. If the fees are not paid on time by the due date, an administrative charge of £20 will be applied. In the case where fees are still outstanding by the first day of the new term, the child concerned may not be allowed into class. For outstanding fees which have not been paid within one week of the beginning of term, your child may be removed from the school register and you will have to re-apply for a place subject to availability and the complete payment of fees.

Methods of Payment:

There are 3 options available to parents for paying fees:

1. Annual payment: Full amount to be paid during June for the next academic year. A discount is applicable for this form of payment.
2. Termly payment: Payment must be made a term in advance 3 times a year. The first payment is due in the June preceding the new academic year, the second in December, and the third payment in March.
3. Monthly payment: Monthly payments can only be made by Standing Order Mandate. (Please note that for new pupils, it is compulsory to pay the first term's fees in advance, thereafter a Standing Order Mandate may be set up for the balance of the fees). The mandate is renewable every year and the form is available from the school office.

- For new pupils, the amount and period of payment stipulated in the offer letter needs to be adhered to.
- If a parent of a new pupil would like to withdraw their child place, after payment is made or even before they start the new academic year. FEES ARE NON - REFUNDABLE.
- If paying by cheque, it must be made out to AL RISALAH EDUCATION TRUST
- An administrative charge of £20 will be payable for each cheque or standing order that is not honoured (bounced) by your bank.
- The school reserves the right to increase the tuition fees; in such circumstances parents will be informed in advance.
- If a parent wishes to withdraw his child from the school, 1 terms' notice in advance should be given.
- Fees are non-refundable in all cases.
- For new pupils the enrolment and registration Fee of £100 is a one-off NON-REFUNDABLE fee.

The School Fee Policy:

- Fees are **NON-TRANSFERABLE** to other siblings or relatives in **Al Risalah School, Al Risalah Boys' School or any other Trust school**.
- In June of every year, parents are required to pay their child's fee for the 1st term of the forthcoming new academic year, to secure their child's place at the school. If any parent fails to pay this fee before the end of the 3rd term, your child's place will not be guaranteed for the next academic year.
- If you are experiencing any difficulty in paying the school fees, please inform the school bursar as a matter of urgency. The school can then look into each individual situation and where possible arrangements can be made.
- Concessions are not offered and fees will **NOT** be waived, under any circumstance; however the deadline date for the payment of fees may be extended, depending on individual circumstances.
- The School will adhere and work within the guidelines of this fee policy at all times.
